DivcoWest, a San Francisco-based vertically-integrated operating company, in partnership with Lafayette, CA-based real estate developer Orchard Partners, acquired 218 acres along Devlin Rd. in American Canyon, CA.

The acquired land is the future site of the Napa Logistics Park, a state-of-the-art industrial campus located just south of the Napa County Airport.

The venture intends to promote the location's access to major freeways and rail service to attract prospective tenants.

Brooks Pedder, Philip Garrett, Bill Kampton and Steve Crocker of Colliers International brokered the transaction on behalf of the seller.
